

The Sand Moor Golf Club 2010

Sand Moor Golf Club is a beautiful inland course situated on the North side of Leeds, next to Eccup reservoir, with magnificent views of the surrounding countryside.

The original course was developed in 1921 and was later improved by Dr. Alistair MacKenzie, famous for 'MacKenzie Greens', who was a member of our first Greens Committee.

As well as offering an enjoyable and challenging round of golf on our Championship Course, Sand Moor also has an excellent reputation for its food and for the quality and variety of refreshments from the bar.

We offer a range of Golf Packages to suit your requirements which you will find enclosed.

We would be delighted to welcome you to Sand Moor for your Golf Day.
